

DTSC HEARTS DETROIT - PUB AND SHOPPING CRAWL

SUNDAY FEBRUARY 18TH 1PM TO 4 PM

SECOND AND CANFIELD - DETROIT MI

Join us as the DTSC celebrates Detroit and its History. We will have Brunch at the historic **Traffic Jam and Snug Pub** with tours of Detroit's newest landmark shop **Shinola Detroit** right next door and the **Motor City Brewing Company** across the street.

TJ's was our hang out at Wayne State. Many a Brew and Jam Burger were had before and after class. Since then it has evolved into a great restaurant and the first brew pub in Michigan. It was featured in Diner's and Dives on the Food Network. There are Gourmet selections and Bar food both on the same menu. Homemade bread and cheese...

When you arrive feel free to stop next door and see "Shinola Detroit" Detroit's premiere Watch and Bike manufacturer. Watch Bikes and Watches being built. Everything made in the USA including their shopping bags!

Next door in this emerging cultural center is the Jolly Pumpkin Artisan Ales brew house and the Motor City Brewing Works across the street. Take the Q line downtown after event.

You can Park in TJ's guarded parking lot and walk across the street to a TJ's and the other shops. We will try and arrange a brew house tour after lunch. More details to follow.
